Wish to thank everyone who has sent me info on my collateral Family on my Fathers line. The Butt family connects with Marsh family and then my direct Richey line, got so interested in the Butt line ended up doing more research then planned.

I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

HUSBAND - Edmund Butts

My Heritage gave info on Edmund Butt 1772-1828.

Mg age 19 in 1791 VA to Susannah who was born 1775 NY. They had 7 children: Jeremiah Butt, Samuel Butts and 5 other children.

Lived in Montgomery Co. KY 1820 as did Jeremiah

Edmund died 1828 age 56 in KY.

1820 Montgomery Co. KY: Edmund Butt pg 255 li 16: males 0 2 1 1 females 0 1 1

(check ages when have ages for 1820).

CHILD 1 - Jeremiah Butts

My Heritage Site listed Edmund Butt 1772 - 1828. Md Susannah Butt in 1791 age 19 VA, Susannah was born 1775 in New York. They had 7 children Jeremiah Butt, Samuel Butts and 5 other children. Edmund lived in 1820 KY (found them in Montgomery Co. KY) He passed away in 1828, at age 56 in KY.

Listed Jeremiah Butt/Butts 1792 - 1840 born VA to Edmund Butts and Susannah Butts. Edmund was born in 1772. Jeremiah had 6 siblings: Samuel Jacob Butts and 4 other siblings. Jeremiah was said b. Culpepper Co. VA. Jeeremiah married Nancy Ann Butts (born Newton) in 1816 at age 23 in VA. Nany was born 25 Aug 1795 Rockingham, VA. They had 13 children, Martha Ann Marsh (born Butts), Edward Harrison Butts and 11 other children. (actually had 14 children). Jeremiah lived about 1835, not sure where. He passed away 1840 at age 47 in MO and buried in MO.

Some records use the name of Butt and some used Butts. Most of the children in records used Butts. So not sure what is correct. His Will listed his name as Jeremiah Butt.

First Info from Hazel Brewer 1973.: Jeremiah and Nancy Butts lived at Waterloo, MO in Sweet Home Twp. Clark Co. MO according to the history of Clark Co. MO pub over a period of time in the Gazette Herald. She was a slave owner and had 3 slaves. Jeremiah was a landowner prior to 1840 in Clark Co.

Complete info from Harold Morgan who has been researching this family for some time (Mar 2002) via e-mail hmorgan@evansville.net Received again some info in Dec 2003 from Harold.

Jeremiah married Nancy Ann Newton prob. in VA. or maybe KY. No marriage record located but Harold did say he located the name from the LDS site, Ancestry.com.

It is believed he was buried on the Butts Family Cemetery which was located near Waterloo, Clark Co. MO. Was said Nancy also buried ther as well as Jeremiah II. Which has been said not to exist any longer. Nancy died 1887 and was said she was living with her daughter Martha Ann Marsh at time of her death. Couldn't locate them in Find A Grave or census in 1880 Clark Co. MO.

Jeremiah died in Clark Co. MO 1840 and his estate was quite large and his will is included here.

Harold Morgan has listed the Butt family homestead and cemetery in Clark Co. MO NE 1/4 of Section 33, Twp 66N, Range 7W Sweet Home Twp.

He would have been in early census records, prob. Kentucky 1820, 1830 and wife was in 1840 as he was deceased by then.

There was a J.W. Butt located in 1840 census of Chanton, Howard Co. MO (but was living in Clark Co. MO by Feb 1840). HUSBAND - Jeremiah Butts

Some records use the name of Butt and some used Butts. Most of the children in records used Butts. So not sure what is correct. His Will listed his name as Jeremiah Butt.

First Info from Hazel Brewer 1973.: Jeremiah and Nancy Butts lived at Waterloo, MO in Sweet Home Twp. Clark Co. MO according to the history of Clark Co. MO pub over a period of time in the Gazette Herald. She was a slave owner and had 3 slaves. Jeremiah was a landowner prior to 1840 in Clark Co.

Complete info from Harold Morgan who has been researching this family for some time (Mar 2002) via e-mail hmorgan@evansville.net Received again some info in Dec 2003 from Harold.

Jeremiah married Nancy Ann Newton prob. in VA. or maybe KY. No marriage record located but Harold did say he located the name from the LDS site, Ancestry.com.

It is believed he was buried on the Butts Family Cemetery which was located near Waterloo, Clark Co. MO. Was said Nancy also buried ther as well as Jeremiah II. Which has been said not to exist any longer. Nancy died 1887 and was said she was living with her daughter Martha Ann Marsh at time of her death. Couldn't locate them in Find A Grave or census in 1880 Clark Co. MO.

Jeremiah died in Clark Co. MO 1840 and his estate was quite large and his will is included here.

9 Feb 1840 Clark Co. Missouri

In the name of God, Amen, I Jeremiah Butt of the County of Clark in the State of Missouri do make, constitute and ordain this my last will and testament, hereby revoking all former ones.

First of all, I will bequeath unto my loving wife Nancy Butt all the property such as lands and Negros andall personal property until such times as the youngest child comes of age, for her use and benefit in raising and schooling the children and then the remainder to be equally divided between the children leaving of my wife Nancy Butt one third part her natural lifetime, and be it understood that if in case my wife should marry before the youngest child becomes of age the property then shall be equally divided as above named leaving a sufficiency for the maintenance and schooling of the youngest children and be it understood that my wife's part shall be divided equally with the children at her death.

I hereby constitute and appoiint Nancy Butt and Edmond H. Butt Executors of this, my last will and testament, hereby revoking all former will and testaments hereby revoking all former will or wills that this alone shall stand good.

WIFE - Nancy Ann Newton

First info from Hazel Brewer listed her name as Nancy Coffins but Harold Morgan has done much research on this family and located her name as Nancy Ann Newton.

1816 believed had married in Virginia, according to her obit.

Nancy died Clark Co. Mo 1887 and her obituary was in the Clark County Gazette dated Thursday, August 4, 1887. Reads as follows:

Death of Mrs Jeremiah Butt --- On Thursday night, July 28th, at the residence of her son in law John Marsh, north of Waterloo, occurred the death of Mrs Jeremiah Butt, age 92 years. Mrs Butt was born in Rockingham County, Virginia in 1795, married Jeremiah in that state and subsequently moved to Kentucky. From Kentucky they moved to Clark County and settled on the homestead, where he died, 53 (actually 47) years ago. Her husband died at 46 years ago (should read 48 years of age)

The Deceased was perhaps the oldest person in Clark County at the time of her death. She retained faculties, almost unimpaired, to the las. Her remains were deposited in the famiy burying ground, on the Butts homestead, Friday. Three Daughters and many grandchildren and great grandchildren survive her.

(When Harold Morgan transcribed the obit he changed the last name to Butt, as was Butts in paper.)

HISTORY

STATISTICS

Butt is a name which since the 17th Century had been very popular in Devonshire and Cornwall and has been spelled variously as Butts, Butson and Butting, the latter two meaning "son of But". It is a topographical name, derived from the Middle English "but", meaning mark for archery, target or goal, ultimately from the Old French "but", aim, target. Hence, Butt has come to describe an individual who lived near the archery butts, or perhaps who was himself an archer. Topographical surnames were among the earliest created, since both natural and man-made features in the landscape provided easily recognisable distinguishing names in the small communities of the Middle Ages.

Interesting namebearer, recorded in the "Dictionary of National Biography", include the vicar, George Butt (1741 - 1795), who was appointed Chaplain to King George III in 1783, and Sir Charles Parker Butt (1830 - 1892), who in 1883 was appointed

Justice of the High Court and Knighted. Recordings from Devonshire Church Registers include: the christening of William Butt on March 29th 1544, in South Tawton, and the marriage of Mary Butt and Henry Conant on May 2nd 1610, at St. Mary's in Offery. A Coat of Arms granted to a family of the name is a silver shield, two red torteaux in chief and a red mullet in base, a blue chief nebulee, the Crest being a lion holding in the dexter paw a spear broken. The first recorded spelling of the family name is shown to be that of Walter But, which was dated 1114 - 1130, in the "Court Rolls of Ramsey", Essex, during the reign of King Henry 1, known as "The Lion of Justice", 1100 - 1135. Surnames became necessary when governments introduced personal taxation. In England this was known as Poll Tax. Throughout the centuries, surnames in every country have continued to "develop" often leading to astonishing variants of the original spelling.

Butts History, Family Crest & Coats of Arms

Origins Available: English, German

The name Butts comes from the ancient Norman culture that was established in Britain after the Conquest of 1066. It was a name for a nickname for the Middle English word butt meaning "thicker end" or "stump," in other words a name for a thickset person. Alternatively the name could have been derived from the Middle English word "butt" or the Old French word "but" which both meant a target or mark for archery. In this latter case, the name would be ascribed to one who lived near archery butts or perhaps an archer. ^[1]

Early Origins of the Butts family

The surname Butts was first found in the village named Butt in Normandy where William Bot was listed in 1195-1198 ^[2]. Another source claims the name was derived from "the name of several places in the arrondissement of Falaise." ^[3] The earliest records of the name in England include Robertus filius But who was listed in 1137 and Godlambus filius But who was listed in Norfolk in 1133-1160. ^[1] A few years later, Walter Botte was listed in Oxfordshire in the Rotulus Pipe Rolls in 1189 ^[2] and Roger But who was Viscount of Southampton in 1203 (Magn. Rotulus).

Much further to the north, the Isle of Bute is in the county of Bute, in the Frith of Clyde. ^[4]

Butts Spelling Variations

Anglo-Norman names are characterized by a multitude of spelling variations. When the Normans became the ruling people of England in the 11th century, they introduced a new language into a society where the main languages of Old and later Middle English had no definite spelling rules. These languages were more often spoken than written, so they blended freely with one another. Contributing to this mixing of tongues was the fact that medieval scribes spelled words according to sound, ensuring that a person's name would appear differently in nearly every document in which it was recorded. The name has been spelled Butt, But, Butte and others.

Migration of the Butts family to Ireland

Some of the Butts family moved to Ireland, but this topic is not covered in this excerpt.

Another 125 words (9 lines of text) about their life in Ireland is included in all our PDF Extended History products and printed products wherever possible.

Migration of the Butts family to the New World and Oceania

For many English families, the political and religious disarray that plagued their homeland made the frontiers of the New World an attractive prospect. Thousands migrated, aboard cramped disease-ridden ships. They arrived sick, poor, and hungry, but were welcomed in many cases with far greater opportunity than at home in England. Many of these hardy settlers went on to make important contributions to the emerging nations in which they landed. Among early immigrants bearing the name Butts or a variant listed above were:

The Butts Motto

The motto was originally a war cry or slogan. Mottoes first began to be shown with arms in the 14th and 15th centuries, but were not in ge 17th century. Thus the oldest coats of arms generally do not include a motto. Mottoes seldom form part of the grant of arms: Under most authorities, a motto is an optional component of the coat of arms, and can be added to or changed at will; many families have chosen not motto.

Motto: Possunt quia posse videntur

Motto Translation: They conquer who believe they can

Subject: Butt Family Research

Hello to all of you. So far as I know, the 4 of us are the only people researching Nancy Ann NEWTON Butt and Jeremiah BUTT.

My name is Harold Bishop Morgan, I live several miles west of Evansville Indiana, in the extreme south west city of Mount Vernon Indiana. I am also about 75 miles west of Daviess County Kentucky where my gg grandmother Susan Frances BUTT and my gg grandfather Michael Dickerson WELLS had a successful life after leaving Clark County Missouri.

My BUTT family information comes from several sources;

1. A wonderful and complete probate file of Jeremiah BUTT. It consists of some 50 or so pages of which I copied about 40 pages from the Clark County Historical Society while in Clark County a couple of years ago.
2. Nancy Ann Newton Butt's obituary which I copied from the historical records. (A complete and through short document of her life.)
3. BUTT family deeds and marriage records which I copied from court records in Clark County.
4. BUTT family death and marriage records which I copied from library records in Clark County.
5. BUTT family records which I copied from Lee County Iowa records.
6. Ancestry.com census records for Clark and Lee County (Iowa).
7. A complete alphabetical census listing of the entire state of Missouri - an excellent tool.
8. Ditto for the entire state of Iowa. (At least two of the BUTT children married Iowa spouses.)

I believe my Jeremiah and Nancy BUTT genealogy is accurate and complete including one generation of children. (I do not have much information about Priscilla BUTT, she may have died young or moved away from the parents.)

I intend to go back to Clark County Missouri, a 6 hour trip, this spring. I believe I can now find the Butt Family Cemetery and I want to see it and photograph the stones if any remain. There are 2 or 3 "new" genealogy books about Clark County in the library and I want to check them out. Lastly, I don't believe I looked into the actual marriage bonds for the BUTT children - it is possible that there may be solid information listed on the bonds.

I have a circa 1865 photo of Susan Butt Wells and a circa 1850 photo of Nancy Newton Butt with the name "Susannah" scribbled above her head. (A WELLS family bible exists somewhere but I have been unable to find it so I consider it lost. I do have a "rubbing" of the bible cover.)

I am happy to send photos and copies of the probate records. (There is a small scrap of paper with some addition numbers on one side and the surviving children on the other side. This was the treasure of the whole lot of documents.)

Please advise of what I can send to any of you - I believe I may have sent some or all to Gladys but I don't recall.

Regards,
Harold

Subject: Butt Family Research

Henry, meet Dukki [last name unknown]..

Dukki meet Henry Morgan who actually gets to Kentucky once in a while to do research.

We are all researching Jeremiah Butt. Henry and I are descended from him - Dukki is a 3rd-gr-niece.

This email will cover two areas of concern with the Butt research as provided to me by Dukki :

1. the siblings/parents of Jeremiah Butt
2. the nationality of Jeremiah Butt

(1) Siblings/Parentage: It appears, and I may be mistaken, that the original researcher has based the relationship between Jeremiah and his siblings and their father solely on the fact that they all appear in the 1820 census in Kentucky. If I am mistaken, please advise, but I see no stated references/sources other than that.

(A) If the census is the source, then it is faulty reasoning, as the various Butt/Butts men listed could be cousins, uncles, or just men with the same last name, etc.

(B) If the census is the source, then there were actually 11 men with the name BUTT / BUTTS in Kentucky in 1820, according to the Index at Ancestry.com. and they would need to all be considered as family members or ruled out.

I feel further research is necessary in sources which might indicate a more direct relationship between the BUTT men, including, but not being limited to:

- (a) church record, land records, probate records, town/county vital records
- (b) published family histories, county histories, private family records such as bibles, etc.

(2) Nationality : As previously mentioned, I have access to the census images at Ancestry.com. I accessed the 1820 census images and printed out the pages for each of the indicated BUTT men. While the 1820 census report provided space to indicate foreigners, in general that subject may or may not have been completed by the census taker in any given state/county. In looking at the various pages in the Kentucky census for 1820 I do not see that the census taker filled in that column. BUT, the microfilm available from Ancestry.com has a "shaded" area in that section where the FOREIGNER column is located and so I am unable to tell if the column had any writing in it. It is possible that the shading is/was caused by scotch tape being used to hold the pages together and that it has/had obscured the writing. But it is also possible that the column was not filled in. I wonder if there are other versions of the census available which might not have that shading??

(A) Therefore, the 1820 census images that I have access to do not prove or disprove nationality for the BUTT men.

(B) Census reports started indicating the birth state/place of an individual in the 1850 census. Sometime after that, and prior to 1880, the census report also indicated the birth state/place of an individual's parents, even though it did not state who the parents were. Through additional census report research, I have been able to locate 4 of Jeremiah's children listed in the 1880 census. Each of the four indicate that their parents [Jeremiah & Nancy Ann] were born either in KY or VA..... what is interesting is that the 4 don't necessarily agree. BUT, what is important is that NONE of them indicated that their father as having been born in England. Now it is always possible that Jeremiah wanted to conceal a British heritage, but one would think that an "accent" would have been noticeable unless he immigrated at a very young age.

THEREFORE, I feel that both areas of research only provide "possible" relationships and nationality and that further research is definitely required.

Possible future research:

1. Determine the death location of Edmund BUTT and look for any probate/land record information which might indicate his children

2. Find a death record for Jeremiah.....though because he died prior to 1850 the source might not include birth information.
3. Research early immigration in the Middle Atlantic state area.
4. Research the BUTT / NEWTON names in VA.

As always,
Nancy Neely in Maine

Subject: Butt Family Research

I failed to say that I traveled to Bath and Montgomery Counties in east Kentucky last June. I was looking for BUTT family info - I learned that you can not do genealogy on the fly. For instance; In the Bath (Owingsville) County Library there is a huge selection of cemetery records all in longhand and by many different people. This is in several large loose leaf notebooks. It would take at least one and likely 2 days to work through all of the pages. I found this to be a common problem in each court house and library I visited. It simply takes time and lots of it.

I went, in part, to search for the 55.5 acres of land that Jeremiah Butt still held in Bath County Kentucky at the time of his death. I could not make head or tails of the deed records. Last week I ordered microfilm of some Bath and Montgomery County records, I may order more as time goes by if what I receive looks worthwhile.

The County Clerk told me that the BUTT land may well still be owned by Jeremiah's heirs. They do not keep records of such pieces of property that have been "forgotten". But here is some news - I expect the reason that Jeremiah and Nancy left Bath County in 1837 was because the land. Most all land consists of mountains or at least foothills. One can only till the tops and valleys of the hills/mountains. Clark County Missouri is the opposite as it is just perfect for tilling and farming - all level, rich and valuable.

I will post all of you whenever I get into the microfilms. I am still finishing 3 different marriage books and expect to publish them in January or February or 2004. I have spent 2 full years on them and want to complete the effort.

Harold

Obituary of Nancy Ann Newton Butt

Clark County, Missouri, 1887

The Clark County Gazette

Kahoka, Missouri

Thursday, August 4, 1887

DEATH OF MRS. JEREMIAH BUTT

On Thursday night, July 28th, at the residence of her son-in-law John Marsh, north of Waterloo, occurred the death of Mrs. Jeremiah Butt, age 92 years.

Mrs. Butt was born in Rockingham County, Virginia in 1795, married Jeremiah Butt in that state and subsequently moved to Kentucky.

From Kentucky they moved to Clark County and settled on the homestead, where he died, 53 (actually 47) years ago. Her husband died at 46 years ago (should read 48 years of age).

The Deceased was perhaps the oldest person in Clark County at the time of her death. She retained faculties, almost unimpaired, to the last.

Her remains were deposited in the family burying ground, on the Butts homestead, Friday. Three Daughters and many grandchildren and great grandchildren survive her.

(Obituary NOTE: The above Nancy Ann Newton Butt was born 25 AUG 1795. Her husband, Jeremiah Butt, was born 11 OCT 1792, in Virginia and died in Clark County, Missouri on 10 FEB 1840.....)

(Transcribers note: I have substituted the name BUTT for the original obituary spelling of BUTTS. I believe the newspaper used the incorrect last name for Jeremiah and Nancy BUTT.)

The Butt family homestead and cemetery is in Clark County Missouri NE 1/4 of Section 33, Twp 66N, Range 7W (Sweet Home Township)

Subject: Nancy Newton Butt

I can assure you of 2 things; The family name is BUTT and her name is Nancy Ann.

My mom and her friends believed the name was BUTTS and they only new the family had lived somewhere in Missouri. My search was really through their daughter Susan Frances Butt who married Michael Dickerson Wells in Clark County Missouri. They are my gg grandparents. Earlier this year I spent a few days in Kahoka, MO. The first place I visited was the Court House and among the several deeds is the name of BUTT. Eventually I visited the Clark County Historical Society and among the probate pages, there is a large file, is the obit, Jeremiah's will and the only name is BUTT and the name of Nancy. The several Clark County census all list Nancy A. BUTT as the head of household. (I searched the Bureau of Land Management site for BUTTS and was not successful, I found that Jeremiah had six land grants from BLM and I am certain the name is BUTT.)

I found the name of NEWTON for Nancy at the LDS site, Ancestry.com subscription site and through GOOGLE web search. I would be about 75% certain of the NEWTON name.

Among the interesting things in Jeremiah's will is mention of a parcel of land in Bath County Kentucky that was still held at the time of Jeremiah's death on Feb 10, 1840. I plan to travel there this summer and see just how the land was disposed of and who signed to sell it. I believe my gg grandparents made a trip there to handle the sale. (After Susan and Michael were married they made the trip back east to Daviess County Kentucky where they settled and that is how I came to be.) Bath County is about 50 miles east of Lexington, Kentucky.

They sold the store in [the spring of] 1919 to Vale Rochdale Co. The Voigts then bought a small farm eight miles east of Sturgis [known as the Tom Stewart place on Alkali Divide] where they lived until Julius passed away February 18, 1921. Mrs. Voigt continued to live on the farm until her health was failing, and she moved in with her son, John and family, until she passed away March 29, 1942. She was buried beside her husband at the Bear Butte Cemetery, Sturgis, South Dakota."

HUSBAND - Michael Dickerson Wells
Not located Find A Grave

Family Search site - Michael Dickerson Wells believe located him with 2 children in 1840 Sweet Home Twp, Clark Co., MO.

Located their marriage record of M.D. 10 Apr 1845 to Susan F. Butts.

1850 Daviess Co, part of, Daviess, KY Michael D. Wells 38 Ky, Frances (Susan) 20 KY (MO?), Joham F. Wells 19 KY (son from former mg), Amanda E. 2 KY (1848, Francis O KY, 1850. Believe right.

1870 Daviess Co. KY: Michael Wells 55 (1815) KY, Susan 45 (1825) KY, Melina 18f (1852) Richard 15 (1855) Teadosia 9 f KY (1861) Some right, should be a Martha F. b 1850d. 1864 and Richard should be Michael Dickerson Jr. 15 (1855) and Teadosia is Theodoria E. "Dora" 9 (1861 should be 1860) Some right.

1860 District 1, Daviess Co, KY: L. B. Wells (should be M.D.) 36 KY b 1824 (should be 1811). Susan 35 1828, Mary C. 16 b 1844 (could be dau of M.D. but in 1850 didn't have dau Mary C.& before mg) Martha E. 11 KY 1849 (Martha F. b 1850 d. 1864). Susan A. 8 1852 (no other rec of Susan), Amanda E. 5 KY 1855 (our rec 1848 for Amanda E.) So some of this is close and some not?

WIFE - Susan Frances Butt

The Chillicothe-Tribune (Chillicothe, Missouri) - 10 January 1968 - Page 15

Noah Probasco, Unionville, Has 103rd Birthday

Noah Probasco, 103, the oldest living man in the Unionville area and probably one of the oldest in the state, was a pleasant caller at the office last Friday afternoon, and he renewed his subscription to The Republican for the 80th time, says the Unionville Republican.

Mr. Probasco stated he started taking The Republican when he and his wife were married, and before that time he had access to The Republican. He was the head bookkeeper for the Mendota Mining Company.

He is enjoying fairly good health for a man of his years and is mentally alert with a jovial disposition. He spent three weeks in the hospital the past year, but has recovered to such an extent that he wants to be out and uptown "where the action is."

Up until the last year when he went to the hospital he always lived alone, but after his recent illness he has made his home with his son, Mr. and Mrs. Edgar Probasco.

Sunday, January 2, he enjoyed a birthday dinner at the home of his son, with members of the immediate family present. He has a sister, Olive Clawson, living at Brookfield, Mo., who will be 90 the first of July. They are the only surviving children out of a family of nine. He has three living children, 16 grandchildren and 15 great-grandchildren.

Mr. Probasco has always been a walking enthusiast, and up until last year he enjoyed walking the seven or eight blocks from his home to town. He still gets around good, but has given up his jaunts to town.

HUSBAND - James Rhoades

Not located James in Family Search or Find A Grave. Amanda was widowed when she died Aug 1911 so he died before that. Hadn't located where they are buried or any info on the children. Which is strange. So believe he would have died after 1880 and before 1911.

1870 Van Buren Co. IA James Rhodes 54 Ky with wife and 7 children.

1880 Van Buren Co. IA James Rhodes 66 KY with wife and 7 children.
